JMF Malleable Fittings, Steel Nipples & Cut Lengths

JMF Malleable Iron Fittings, Steel Nipples and Cut Lengths are preferred by plumbing professionals who demand the highest quality, appearance, fill rates and largest selection. We offer one of the most extensive selections of black and galvanized malleable iron fittings in the industry. Available in 13 diameters from 1/8" to 6", every fitting is produced to exact specifications. All galvanized products are zinc-coated for water applications – and meet all low-lead requirements. We manufacture both black and galvanized welded steel nipples in 15 diameters from 1/8" to 6" – and different lengths ranging from Close up to 12". Available individually or in pre-packaged assortments, we also offer a full selection of ready cut welded steel pipes in the same diameters and lengths. Visit our pricing page at www.jmfcompany.com to view detailed product information on JMF malleable fittings, nipples and cut lengths.
