

Small Duct High Velocity Heating, Cooling and IAQ

4" MERV-13 Filter Rack & Replacement Filter

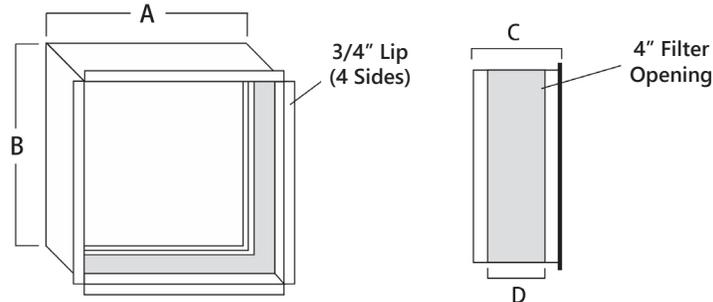

Custom Sized Filter Rack and Replacement Filters for Hi-Velocity and Lo-Velocity Air Handlers

Energy Saving Products 4" FR-4 Filter Racks are a simple and cost effective step towards a healthier home or office environment, free of airborne allergens and particles that can trigger various allergy and asthma symptoms.

These pleated MERV-13 filters effectively reduce pollen, dust, pet dander, mold spores, and dust mites, as well as bacteria, smoke, smog, and other allergens.
