

**THE COMFORT  
YOU CAN TAKE  
WITH YOU**

# DOLCECLIMA

Our line of portable air conditioners and heat pumps are very user friendly, provide year round comfort, and can be easily moved from one room to another.

### Quick and Easy Installation

Our units come with a window mounting kit and a flexible tube to allow for ease of installation anywhere you live, work and play.

### Ultimate Comfort Control

Thanks to the advanced touch screen display, controlling your comfort only takes one simple touch of a button on the unit display or on the handheld remote controller.

Our units are energy efficient using industry leading compressor technology with a compact, one-of-a-kind design developed in Italy.
