Condensate Pumps

ClearVue™ Pump

No Float, No Problems! ClearVue's iQ Technology™ and Floatless Sensor™ make this the most advanced condensate pump ever. This new pump can provide up to 22ft of lift if needed. ClearVue™ runs at the minimum speed needed, saving wear on the pump. The pump selects the lowest effective speed, making it quieter than a regular pump. Its unique self-cleaning feature senses problems and automatically enters a self-cleaning mode using condensate water to fix the issue. The ClearVue™ pump features a clear bottom tank to easily check the water level.

Other features include: stainless steel mounting tabs, silicone rubber feet, reversible deck, four inlet holes, and LED indicator lights. ETL Listed File Number 3190890

Catalog No.	Description	UOM	Order Multiple	List Price
IQP-120	ClearVue™ Condensate Pump, 0-22ft. lift, 120V	EA	6	\$173.72
